# Opening Roof Specialists

Discover the Secret to Luxury Outdoor Living

# Our Difference

Opening Roof Specialists offer design, installation, aftersales support, and maintenance services. Our high quality opening roof systems are built for a lifetime of usage. With over 35 years in the game we provide honest advice, excellent designs, and reliable customer service for the life of your construction and its integrated accessories.

# Longest Lasting

Our opening roof system is engineered to stand the test of time. Installing 100% aluminium louvres, frames and gutters means no rust, ever! Receive up to 25 years warranty on a range of aluminium coatings, with over 100+ colours and woodgrain textures to choose from. 316 marine grade stainless steel motors complete the longest lasting opening roof system available on the market, which makes it perfect for all city, country and coastal properties.

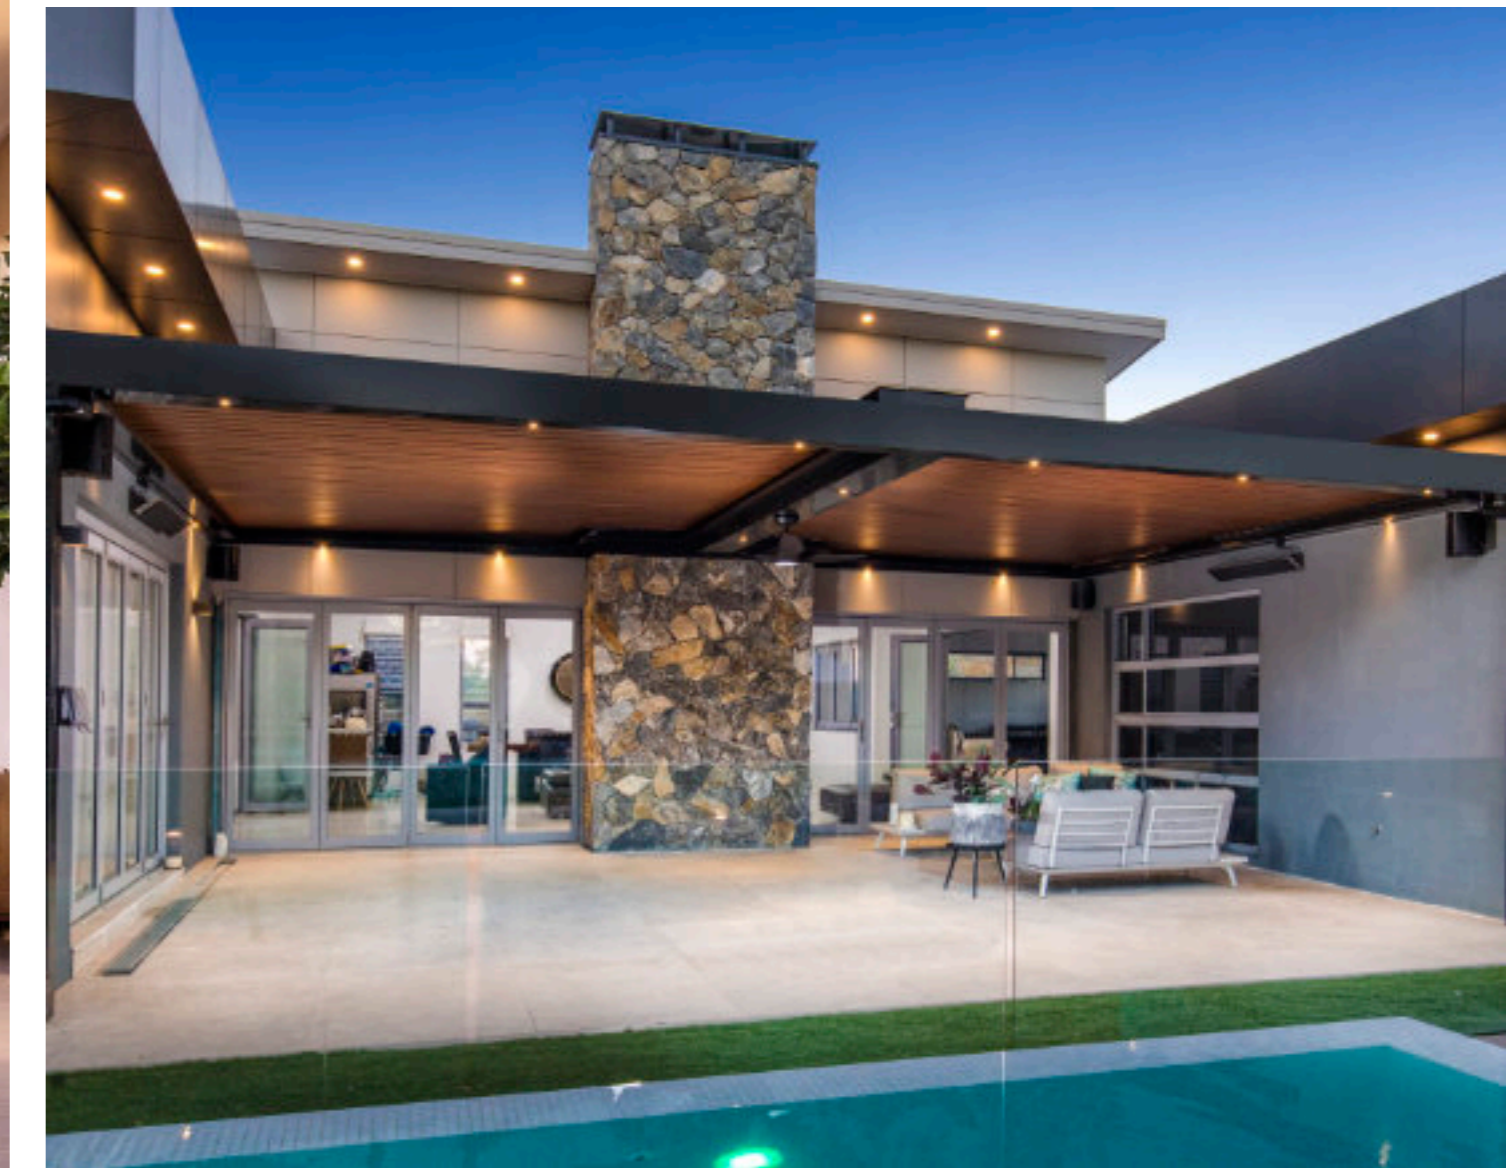

# Powder Coating

Upgrade to a Dulux Duratec finish to extend your powder coat warranty up to 25 years. Extra-durable powder coating is a practical upgrade that keeps your opening roof system looking brand new for longer.

- ✓ All aluminium construction with stainless steel operating equipment. No corrosion and a life long investment.
- ✓ Dulux powdercoated finish with over 100 colours.
- ✓ Remote control with automatic rain sensor to protect your area.
- ✓ Mobile app integration with accessories like heaters, outdoor blinds and lights for the ultimate outdoor entertaining area.
